--------------	----------	------------------	-------------------	------------------	-----	------------	---------------------

**Monthly Plan Pricing Schedule**

**Plans are 10% Off Regular Package Price**

**Monthly Plan ordering instructions:**

**Order Form/Fax/Web Export** - Enter the applicable Plan Item Code for the number of months, variety mix, and package size. Specify the months in special instructions. G&S will split the plan and schedule the shipments for the months specified.

**Companies that maintain their own database and export daily files:** Use Individual Item Code and schedule box size and ship dates for each package in the plan. For companies with their own database/computer system -- you are not limited to only the 3,4 or 6 month options. Enter individual packages as you choose.
